## Directory of CORPORATE PARTNERS

**#LEADERSHIPMATTERS**

The SCSSA offers a limited number of opportunities to corporations that are interested in supporting the goals and programs of the Association to become corporate partners for the 2023-2024 school year. Their ongoing support enables the Association to provide several annual scholarships to deserving graduates who are pursuing a career in education or social services, as well as leadership and professional development opportunities for our membership. The Association appreciates the efforts of our corporate partners and wishes to thank them for their continued support of our programs and mission.

**Acclaimed Mobile Health** is your school district's health and wellness company. At Acclaimed, we believe health care should be based on the early detection, prevention or predictable risk of diseases and chronic illnesses. We offer school district employees the ability to have their annual health and wellness physical provided by our multispecialty medical practice. Employees using our service are educated about the benefits of being proactive with their health and will have access to their own health and wellness portal. In addition, using our service overcomes a major obstacle that hinders employees from being diligent regarding their health care: convenience. We bring the Practice to the Employee! Acclaimed Mobile Health services are mobile and are provided right at the school district and the employee's worksite – a proven method that increases participation and early detection and/or risk factors of chronic diseases. From an employer's perspective, our service has a positive impact on the increasing costs affiliated with absenteeism, workman's compensation, short- and long-term disability and future health care costs.
